Which tweezers tip style is best for you?

Rubis tweezers offer the perfect choice for any type of professional care application.

Slant - Most popular eyebrow tweezers.

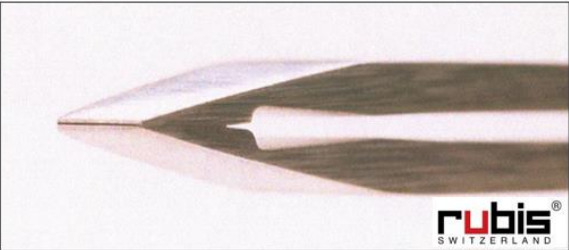

Point - Superfine tip for removing ingrown hairs and splinters.

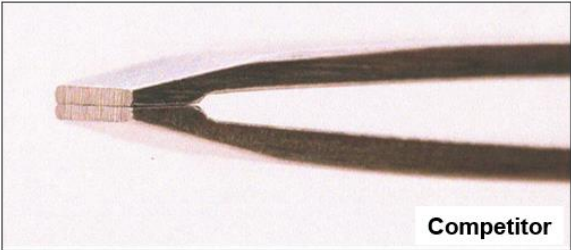

Universal – for superfine hairs and selective plucking, universal use.

How to check the quality of tweezers?

- Hold tips away from you
- Squeeze tips together
- Tips should perfectly align so that no light shines through

Rubis Swiss Quality Precision Tweezers

Lower quality tweezers
